PRESIDENTS MESSAGE

Well, it's that time of month when my fruit tree is blossoming, my allergies are acting up, and I paid my taxes. It's hard to believe we are already in May and almost half the year has passed us by. This also means we held our 50th anniversary party for the club.

I want to give a huge thank you to the committee (Nikkie Gulko, Jean Boyden, Audrey Johnson, Vicki Wildman, Helen Christensen, & MaryAnn Steele) for all the planning and hard work that went into this celebration. I also want to extend a thank you to Lucy Greenberg for setting up the historian table, Past President Bill Bratt for the cake, and our speakers Jim Boyden, Ed Archer, and Peder Jorgensen for sharing their memories and past history. I especially want to thank those members who attended and everyone else who pitched in.

Speaking of anniversaries, our 50th Endurance Run is around the corner. Glenn Wildman (Endurance Run Chair) and Larry Johnson (Lowland Chair) NEED VOLUNTEERS. Jobs can range from small to big but I am sure there are plenty to go around. Please support us on this special day so, it too can go in the history books as a great event.

I end this message on a sad note. Long time member Bob McConnell has passed away. I still remember on my first Endurance Run Bob worked the third checkpoint. The car had a rough time, my dad and I had a rough time. Before we left that checkpoint, Bob said "your doing great and your almost there." We got our confidence back, waved as we drove off and got about 500 feet until the car died. It was because of Bob's encouragement we did not give up got the car running again and crossed that finish line. I will always remember this.

Our deepest condolences go out to the McConnell family.

Dan

Robert Howard McConnell
Resident of Los Altos
May 2, 1933—April 19, 2019

Bob McConnell passed away April 19 after a brief hospital stay, just two weeks shy of his 86th birthday.

Bob was born May 2, 1933, to Olive and Grenfall McConnell. He attended Oakland High School and the University of California, Berkeley, leaving Cal in 1954 to join the Air Force. After graduating from pilot training, he attended officer training in Bainbridge, GA. It was during his assignment in Libya that he met his “first love” — a 1931 Fiat sports roadster that he restored, instilling a lifelong love of antique cars.

After being stationed in Libya and Japan, as well as Michigan, Arizona, Florida, and New York, he was honorably discharged in 1968 at the rank of captain with over 8,000 hours in the B-57.

He returned to the Bay Area, employed by Pan American World Airways as a flight engineer. It was through his participation with the Mid-Peninsula Old Time Auto Club that he met the second love of his life, Sandy, in 1973; the couple wed in 1974.

Upon retiring from Pan Am after 17 years of flying 707s and 747s, Bob focused on several real-estate ventures, including an apartment complex in Mountain View and a Laundromat in Milpitas, which has since been built up to four locations throughout the South Bay, and on his various hobbies.

Bob collected, restored, and drove many antique cars, including five 1920s Model T Fords, a 1931 Buick, a 1935 Chevrolet, a 1947 Ford Cabover truck, and his 1931 Fiat roadster. The couple enjoyed traveling and toured much of the West Coast with various antique car clubs.

As a lifelong bird fancier, Bob raised Birmingham Roller pigeons and many other kinds of birds. He also enjoyed gardening and was a self-taught carpenter, electrician, and plumber. He enjoyed skiing and camping with family and friends.

In 1990, the couple purchased a lot on Donner Lake and designed a six-bedroom “cabin,” which was Bob’s home away from home for nearly 20 years.

A celebration of his life will be held on May 11 at 3 p.m. at Los Altos United Methodist Church. Memorial contributions may be made to Yosemite Conservancy: Yosemiteconservancy.org

50th Anniversary Celebration

The sun was shining and the breeze was warm on the morning of April 6th in Sunnyvale, California. It was the day of the 50th anniversary of the Santa Clara Valley Model T Ford Club. It has been exactly 5 years and 1 day since the 45th anniversary. We had around 70 members attend the party to enjoy the BBQ, music, scrapbooks and entertainment. We had charter members, new members, current members and elusive members show up to join in the festivities. They were all waiting to hear talks about where we came from and how we got here. But first we ate. Everyone was hungry and the food was great. After we ate, we had entertainment Magician ,David Martinez, put on a very interesting show and did many tricks that I have never seen before. He was very good and we all enjoyed watching him. Our current president Dan Gulko acted as the master of ceremonies and he introduced Jim Boyden, Peder Jorgensen, and Ed Archer to tell us about the early days of the club. Ed shared a little history fact that our club has the most recipients of the Walter Rosenthal Award. This is the highest honor that the National can bestow upon a member. What a huge accomplishment for our club.

I have to give a great big thank you to the committee members for all their hard work. They are Nikkie Gulko, Audrey Johnson, Helen Christensen, Vicki Wildman, Jean Boyden, and MaryAnn Steele. Thanks to Past President Bill Bratt for donating a delicious cake and Lucy Greenberg for setting up the historian table. I also want to thank everyone else for participating and making this event so successful.

I know I had a great time and I will look forward to the 55th coming up in 5 years and 1 day.

Steve Gulko

ANNOUNCING:

THE 50th SANTA CLARA VALLEY MODEL T FORD CLUB
LOWLAND TOUR
June 8 - 9, 2019

The 50th Lowland Tour will once again be held in conjunction with our 50th Cross Country Speedster Endurance Run on Sunday, June 9th, 2019. In addition to the big event on Sunday, all entrants are invited to come a day early for a short warm-up tour at 2 p.m. on Saturday, June 8, 2019 from Tiffany Ford to San Juan Bautista at no additional registration fee. So, plan to join us in Hollister, CA for a leisurely weekend of vintage automotive touring. Saturday night lodging is available at the SureStay Hotel by Best Western in Hollister close to our sponsor, Tiffany Ford. Reference the Model T Club when you call for the best price. We will have a hospitality room open at 6:30 p.m. on Saturday evening at Tiffany Ford for relaxation, chatting and great snacks. So, come join us on Saturday if you can, and if not, we will see you Sunday for sure.

This event will bring together more than 45 restored and original vintage automobiles and 35 vintage speedsters. This is a return to the charm and pleasure of leisurely touring with vintage touring cars, vintage speedsters, and vintage clothing. This event is open to all makes and models of restored and original early vintage automobiles pre-1940.

On Sunday, June 9, we will join the Endurance Run at the start line in downtown Hollister. After the National Anthem, the announcer will say, "Gentlemen start your engines" and there will be a mighty roar as the green flag waves them off. Then we'll be off for our own slower, more leisurely run through the countryside to rejoin the speedsters for a luncheon at Tiffany Ford.

Lowland tour participants will receive maps, directions, programs, coffee stop, event dash-plaque and most importantly, unbelievable memories (bring your camera!). This event is all about the fun and pleasure of a vintage automotive event. Even if you and your friends are unable to join the tour, please join us at the start or finish line just for the rare opportunity to see and hear the cars in action and watch the frenzied drivers and mechanics perform their endurance run tasks. Era clothes are encouraged or at least a hat! Remember these cars are at least 90 years old!

This tour will be limited to 55 cars so decide early. The SCVMTFC web site will have additional registration forms at www.scvmtfc.org or you can contact:

Larry Johnson, Tour Chairman, 408-354-1261, larrypj@earthlink.net.
